Tenemos información de todas nuestras publicaciones en WOK con indicación de citas recibidas en cada uno de ellos. Además de poder ver las citas artículo por artículo, podemos crear un **informe de citas**.

Sort by: Publication Date -- newest to oldest

Analyze Results  
Create Citation Report

El **informe de citas** nos permite visualizar gráficamente el número de artículos que hemos publicado en los últimos años y que están en WOK y las citas recibidas, distinguiendo las autocitas de las citas. Aporta algunos indicadores interesantes como el promedio de citas por artículo y el H-Index.
